Dear Customer,

RE: Spring Fitting-Out

As I am sure you are aware, spring is almost upon us.

To ensure an orderly transition into the summer season, all necessary prep work and commissioning must be done in a timely fashion.

Please take the time to review your needs and complete this form if you would like the Marina to perform any repair or commissioning work this spring. It is essential that we plan for this work so that your launch schedule is not delayed.

**Please return this form to our office A.S.A.P.**

We will provide you with the best possible service at prices that keep your boating affordable.

Thanks for your cooperation.
